AUCTIONEERS NOTE: Dean Goll Real Estate & Auction, L.L.C. is honored to have the opportunity to conduct this machinery auction for Dumler & Bries Trust. These families have retired from their farming operation and have leased their land. We appreciate the opportunity to represent these families in selling this excellent line of machinery. This line of machinery consisting of tractors, trucks, pickups, and tillage tools, etc. are exceptionally clean and the quality and condition of the above items show the pride and ownership they had in their farming operation. Information regarding machinery and sale items were taken from sources believed to be reliable, however, buyer should satisfy themselves as of the age, size, and condition prior to sale. **Don't miss this auction. Thanks for attending our auctions.**
